

Title: DDCMP Framer

Id: 1/4

Date: 2021-05-17

Rev: A

# Note:

1. This entire page (the integral modem feature) is optional and may be left unpopulated if the feature is not needed.
2. Recommended part for TR1, TR2 is Mini-Circuits TT1-6-X65+. See doc/kicad.md for a discussion of alternative parts.
